

THE PATTONAIR COUNTY GROUND

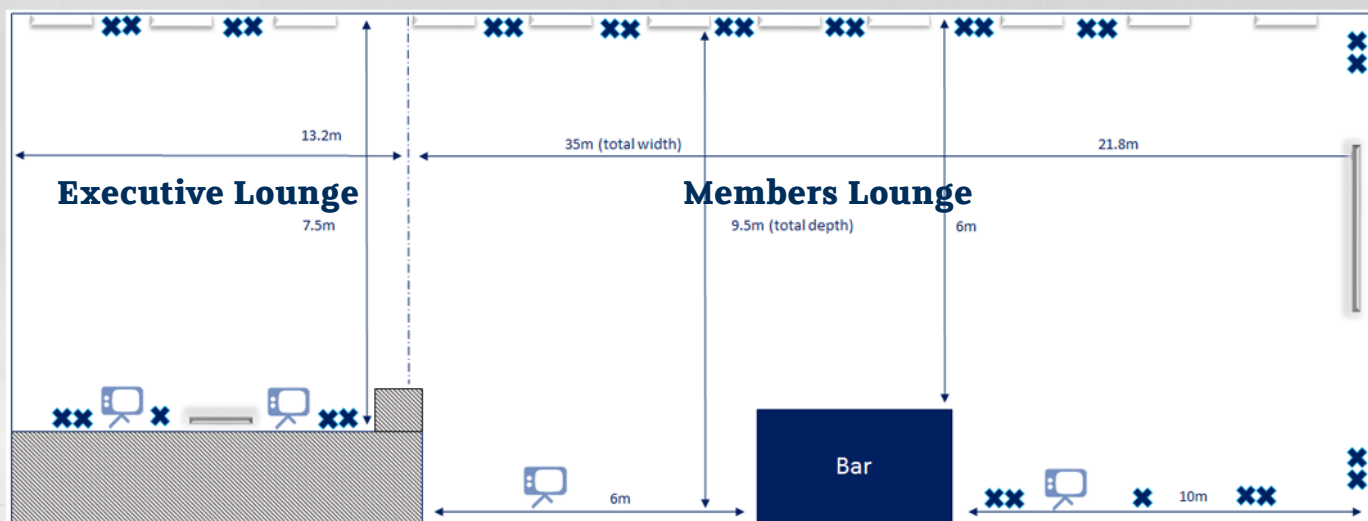

The Pattonair Pavilion

Offering unparalleled views of the ground. The venue offers flexibility to tailor the layout to meet your requirements with state-of-the-art facilities; multi-screens, posing an integrated presentation and PA system, control dimmed lighting or benefit from black-out blinds.

New to The Pavilion, we have the added advantage of four syndicate rooms located on the ground floor respectively accommodating 10 to 12 guests or perfect for an intimate board meeting.
